

# **Abdelraheem Faisal Mohammed Abdallah**

Abdelraheem Faisal Mohammed Abdallah

M.Sc. in Process Integration, Universiti Teknologi PETRONAS in collaboration with University of Manchester (UOM), Malaysia 2010

B.Sc. (First Class) in Chemical Engineering, University of Khartoum, 2007.

**Contact Number:** +249122153153

**Email address:** abdofa@gmail.com

## **Fields of interest**

- Process design and integration.
- Optimization of utilities systems

## **Qualifications**

B.Sc chemical engineering – university of khartoum (1973)

- M.Sc chemical fiber science & technology universityof leed (UK) 1993

Phd –modification and measurement of the wettability of porous sturctures unvirsity of leeds

## **Membership**

- fellow – sudan engineering Soc.(2007)
- consultant engeineer – sudan engineering concil(2007)

## **Research areas**

Surface – activity and detergents

- Polymer Sc.&Tech.

Petroleum refining

## **Publication**

Different papers have been publish in sudan engineering socity journal
