

CURRICULUM VITAE – Sept. 2017
Dr. AKRAM AHMED ELKHALIFA ELHASSAN
B.Sc., M.Sc., PhD

PERSONAL DATA

Name	Dr. AKRAM AHMED ELKHALIFA ELHASSAN
Date of Birth	8 th March 1975, Khartoum
Address	Department of Construction Management and Economics Faculty of Architecture, University of Khartoum P.o.Box 321 Khartoum, Sudan
Email	akrelk@uofk.edu

Languages
 Arabic: Native language
 English: Fluent writing and speaking
 German: Writing and Speaking (Little)
 Italian: Writing and Speaking (Little)
 Swedish: Writing and Speaking (Little)
 French: Writing and speaking (Little)

EDUCATION

Jan. 2012	Ph.D in Architecture, School of Architecture, University of Camerino (UNICAM), Italy
April 2004	M.Sc. in Real Estate Management, Royal Institute of Technology (KTH)-Sweden
July, 2000	B.Sc. (Hons.), Architecture _ Second Class Division One. (Prize winner for the year 1998-1999)

EMPLOYMENT RECORD

a) Academic & Teaching

1-Full-time Employment

09/2017 – Till Now	Head, Department of Construction Management and Economics, Faculty of Architecture- University of Khartoum, Sudan
09/2017 – Till Now	Assistant Professor, Department of Construction Management and Economics, Faculty of Architecture- University of Khartoum, Sudan
09/2015 – 08/2017	Assistant Professor (W2), School of Architecture Bremen, Faculty of Architecture, Civil Engineering and Environment, Bremen University of Applied Sciences, Germany
03/2012 – 08/2015	Assistant Professor, Department of Construction Management and Economics, Faculty of Architecture- University of Khartoum, Sudan
03/2012 – 08/2015	Head, Department of Construction Management and Economics, Faculty of Architecture- University of Khartoum, Sudan
04/2004 – 03/2012	Lecturer, Faculty of Architecture, University of Khartoum, Sudan
12/2000 – 04/2004	Teaching Assistant, Department of Architecture- University of Khartoum, Sudan.

2-Part-time/collaborative Employment

12/2012 – Till now	Delivery of CPD courses on valuation, engineering economics, investment analysis and appraisal theory and techniques, Sudan University for Science and Technology (SUST)
8/2004 – 4/2005	Lecturer, delivery of two courses as part of the M.Sc. Program in Urban Planning, Centre for Engineering & Technical Studies (CETS).
6/2005 – 3/2007	Lecturer, Tahnoon College of Technology (now Emirates College)
5/2005 – 4/2006	Lecturer, Computer Man College for Computer Studies (CMC) (now Future University)
10/2004 – 8/005	Lecturer, College of Science & Technology CST (now University of Science & Technology)

b) Professional Practice

4/ 2013 – Till Now	General manager, <i>Dar Optima Consultancy</i> , Khartoum
10/2011 – Till Now	General manager, <i>Optima Consultancy for Real Estate Valuation and Management Ltd.</i> , Khartoum, Sudan
5/2004 – 5/2008	Senior architect & consultant, <i>Promang consultants & Projects Management Bureau (PMB)</i> . Khartoum
7/2000 – 8/2002	Assistant architect, <i>Promang consultants & Projects Management Bureau (PMB)</i> . Khartoum, Sudan

RESEARCH PROJECTS AND ACADEMIC & TRAINING ACTIVITIES COORDINATION

- Applications of Clay in Urban Gardening Projects: Lucie Flechtmann Platz (LFP) organized by the School of Architecture Bremen (SoAB), Faculty of Architecture, Civil Engineering and Environment, Hochschule Bremen, Germany and funded jointly by the DAAD visiting professorship program, Bremen Ortsamt, and Hochschule Bremen. **Sept. 2015 – Till now**
- Organization and Coordination of the international symposium **“Seize the Earth: Build with Clay”** organized by the School of Architecture Bremen (SoAB), Faculty of Architecture, Civil Engineering and Environment, Hochschule Bremen, Germany **16th – 19th November 2016**
- Member of the steering committee of the Sudanese Institute of Architect’s Fourth Conference **“Towards Sustainable Urban Development”** **Aug. 2014 – Sept. 2015**
- Key researcher and deputy coordinator of the research project **“Evaluation of Habitat National Project in Sudan”** carried by the Faculty of Architecture, University of Khartoum and the National Fund for Housing and Reconstruction. **Sept. 2013 - Sept. 2015**
- Coordinator of the joint research project between Faculty of Architecture (FoA), University of Khartoum and the School of Construction Management and Engineering (SCME), University of Reading (funded by the British Council) **Aug. 2012 - Aug. 2015**
- Organization and Coordination of a Continuing Development (CPD) Course in **“Risk Management”** in collaboration with Dr. Taha Elhag from University College London (UCL) **28th – 31st Dec. 2014**
- Organization and Coordination of a Continuing Development (CPD) Course in **“Construction Project Management”** in collaboration with Dr. Taha Elhag from University College London (UCL) **21st – 25th Dec. 2014**
- Organization and Coordination of a Continuing Development (CPD) Course in **“Construction Project Management”** in collaboration with Dr. Taha Elhag from University College London (UCL) **22nd – 26th Dec. 2013, 9th – 13th June 2013, & 26th – 31st Dec. 2012**
- Organization and Coordination of a Continuing Development (CPD) Course in **“Quantity Surveying & Cost Estimation Practice and Techniques-II”** in collaboration with University of Reading **9th – 13th June 2013 & 11th – 14th March 2013**
- Chief of the organizing committee of the 1st International DelPHE Conference titled **“Construction Management in Developing Countries: Education, Training, Research and Practice”**, organized collaboratively by the Faculty of Architecture (FoA), University of Khartoum and the School of Construction Management and Engineering (SCME), University of Reading held at the University of Khartoum, Sudan **10th – 13th March 2013**
- Key researcher and coordinator of the joint research project **“Developing Educational and Professional Courses in Sustainable Construction, Engineering, Management and Social Housing in Sudan”** between Faculty of Architecture (FoA), University of Khartoum and the School of Construction Management and Engineering (SCME), University of Reading under the DelPHE Project funded by the Department for International Development (DfID), UK and Managed by the British Council (BC) **Sept 2010 – Aug. 2012**
- Organization and Coordination of a joint workshop **“Construction Management Education and Training: Bridging the Gap between Education and Practice”** organized collaboratively by the Faculty of Architecture (FoA), University of Khartoum and the School of Construction Management and Engineering (SCME), University of Reading held at the University of Khartoum **21st – 24th May 2012**
- Organization and Coordination of a Continuing Development (CPD) Course in **“Real Estate Valuation: Introduction to International Valuation & Reporting”** in collaboration with University of Reading **22nd – 24th May 2012**
- Organization and Coordination of a joint workshop titled **“Learning Across Cultural Boundaries”** organized collaboratively by the Faculty of Architecture (FoA), University of Khartoum and the School of Construction Management and Engineering (SCME), University of Reading held at the University of Reading, UK **26th June – 02nd July 2011**
- Organization and Coordination of a joint workshop titled **“Challenges Facing the Management of Construction Industry and Housing in the Sudan”** organized jointly by the Faculty of Architecture (FoA), University of Khartoum and the School of Construction Management and Engineering (SCME), University of Reading held at the University of Khartoum, Sudan **12th – 14th Dec. 2010**
- Organization and Coordination of a Continuing Development (CPD) Course in **“Research Formulation, Methods and Strategy”** in collaboration with University of Reading **16th – 21st Dec. 2010**
- Organization and Coordination of a joint workshop titled **“Collaborative Teaching and Research”** organized jointly by the Faculty of Architecture (FoA), University of Khartoum and the School of Construction Management and Engineering (SCME), University of Reading held at the University of Khartoum, Sudan **27th – 29th Dec. 2009**

PROFESSIONAL, SOCIAL AND COMMUNITY MEMBERSHIPS AND ACTIVITIES

– Member of the International Council for Research and Innovation in Building and Construction (CIB)	Since 2009
– Member of the Sudanese Engineering council (Specialized Engineer)	Since 2001
– Member of the Sudanese Institute of Architects (SIA)	Since 2001
– Evaluation of the curriculum proposal of architecture submitted by the University of Science and Technology	Feb – Aug 2015
– Member of the Jury for 3 Hospitals Design Competition developed by the Social Security Investment Authority (SSIA)	July – Oct. 2012
– Member of Real Estate Encyclopaedia Establishment Project Committee, National Fund for Housing and Reconstruction (NFHR)	Since Nov. 2009
– Member of Khartoum University Properties Investment Committee	Since July 2006
– Building Inspectors Course Co-ordinator, Ministry of Planning	Nov. 2005 – Jan. 2006
– Member of Baghdadi Trust Investment & Development Committee, UofK	Since Oct. 2004
– Sudanese Red Crescent Society membership	Since 1998
– General Secretary for Omdurman -Elthawra Society at U of K	1997-1999

FIELDS OF INTEREST FOR RESEARCH

- Construction technology & innovative materials
- Low-cost housing
- Construction management & economics
- Life cycle assessment of buildings
- Natural environment protection and energy efficient buildings
- Real Estate Valuation

PUBLICATIONS
