

ELSHAMI MOHAMMAD MASAAD

Personal Data

Date of Birth: 1.1.1960

Place of Birth: Elsururab

Nationality: Sudanese

Marital Status: Married with two children

Health: very good

Language: Arabic and English

Address: Department of Surveying Engineering, Faculty of Engineering and Architecture, University of Khartoum, P.O. Box 321, Khartoum, Sudan.

Tel: 0912132662

Mail: elshami_masaad@yahoo.com

Published papers

- “An Automated Image Metrology System (AIMS)” – (the International Journal of Remote Sensing (IIRS), part 6, 1993.
- “Development of a Multi-Application Colinearity equation (MASE) Model”-(the Journal of the Photogrammetric Record, London). October, 1993.
- Development of a Multi- Application Colinearity equations (MACE) Model – (the Journal of the photogrammetric Record> London) October, 1993.

Reports:

- 5th year project – A control network adjustment. 1984.
- MSe transferring report, Close- Range photogrammetry – practical Results. Accuracy Assessment and Error Analysis September 1987 .

Specialization:

- Land and aerial surveying.

- Ph.D Title

Close – Range photogrammetry Based on Digital Imagery Analysis –

Real- Time photogrammetric Measurements from Video Imagery.

Supervisor :

Dr. A. H. A. El- Beik

Department of Civil and Structural Engineering,

UMIST. P.O BOX 88
