

CURRICULUM VITAE

Name : Dr. Kamal Eldin Eltayeb Yassin

Profession : Associate Professor (Chemical Engineer), Consultant Engineer [reg. no 332]

Date of Birth : 10-05-1954

Nationality : Sudanese

Marital Status : Married

Languages : Arabic , English , French

MEMBERSHIP OF PROFESSIONAL SOCIETIES:

1. Fellow, Sudanese Engineering Society.
2. Member ,Khartoum University investment committee.
3. Member of the board for Engineering Studies , Sudan Academy of Science & Technology.
4. Member of the Scintific Board ,Advanced Training & Performance Development Center , University of Khartoum.
5. Member of the Technical Committee for Occupational Health regulations ,Ministry of Health , Khartoum State ,2011/2012.

KEY QUALIFICATIONS:

Associate professor in chemical engineering with over 30 years of national and international professional experience in project identitifaction, appraisal, follow-up & control with special reference to health ,safety & environment (HSE), project management & procurement of goods & services,. A former expert with BADEA ,he is now the Director of Project Managemrnt Unit of the Faculty of Engineering development project, University of Khartoum, He is also the Technical Advisor to Soba Mineral Water Company, Member of the Board of Directors of Juba Insurance Company and Afras International Group. The qualifications include, also training and teaching experience on project management, procurement of goods and services , plant & process design, water treatment, HSE and Risk Analysis.

His most recent consultancies include assets valuation of Port Sudan refinery and Sudanese sugar company ,he was also involved in the preparation of EIA –Environmental impact assessment - of gold tailings processing plant in Abu Hamad ,River Nile State, study on silicosis risks to traditional gold

miners.He is now a key team member in the preparation of an EIA for the new multiproducts petroleum pipeline of Khartoum Maddani(2016).

المؤهلات المفتاحية

مهندس مستشار وبروفيسير مشارك في هندسة السلامة و الصحة و البيئة مع تجربه محليه و علميه تزيد عن الثلاثين عاما في مجالات استنباط و تقييم و متابعة المشاريع و عمليات الشراء و التعاقد العالميه بحكم تجربه اقليميه امتدت لثلاثة عشر عاما مع المصرف العربي للتنمية في افريقيا.

يعمل د . كمال حاليا كمدير لمشروع تطوير كلية الهندسة بجامعة الخرطوم و مستشار فني لشركة سوبا للمياه و عضو مجالس ادارات العديد من شركات التأمين و الصناعات

بالاضافة الى التدريب المتقدم في مجالات البيئة و تقييم المخاطر و الصحة و السلامة و البيئة و ادارة المشاريع و تقييم الجدوى الاقتصادية و الفنية للمشاريع الهندسية و الصناعية .

تشمل احداث اصدارات دكمال البحثية السلامة من الاشعاع غير المتاين من محطات و ابراج الارسال و الاتصالات وكخبير كما شارك يونيو و اغسطس 2012 مع الهيئة الاستشارية لجامعة الخرطوم في تقييم اصول مصفاة بورتسودان سلامة و بيئة و في ديسمبر 2012 مع ولاية نهر النيل في اعداد دراسة تقييم الاثر البيئي لمشروع معالجة مخلفات التعدين الاهلي للنذهب في محمية ابو محمد و يشارك حاليا(2016) في دراسة الأثر البيئي لخط انابيب البترول من الجيلي الي مدني.

COURSES & SEMINARS ATTENDED:

1. *Seminars on processing plants lay-out, Nancy, France.1984*
2. *Practical Training, African Development Bank (AfDB), Abidjan, Côte d'Ivoire,.1988*
3. *Project Management and its Software.,CETS ,2001*
4. *Total Quality Management.CETS,2003*
5. *Water & desalination conference in the Arab countries,April 2010 ,Riyadh,Saudi Arabia*
6. *GWBT Dubai 2009,Global Water & Beverage Technology congress*
7. *GWBT Dubai 2010, Global Water & Beverage Technology congress*
8. *GWBT Dubai 2011 , Global Water & Beverage Technology congress*
9. *Capacity Building Program for incupators management systems (Technopole ,business incubators) , Manama ,Bahrain,May 2016*

EDUCATION:

- 1992 *Dip. in Credit Financing, Milano, Italy.*
- 1984: *Doctorate of Engineering (Docteur Ingenieur), INPT- Toulouse, France.*
- 1980 : *Diploma in French Language ,Universite Du Mirail – Toulouse , France.*
- 1979: *UNU Fellow, Mysore, India.*
- 1978: *M.Sc, CFTRI - Mysore, India.*
- 1975: *B.Sc. (Hons.) Chem. Engineering, University of Khartoum, Sudan.*

EXPERIENCE RECORD:

1. *March 2010-now :Director ,Project Management Unit (PMU),Faculty of Eng. development project ,financed by (ISDB)Islamic Dev. Bank,Jeddah.*
2. *2001- March 2010:Associate Professor.Head, chemical eng. Dept. Faculty of Engineering, University of Khartoum.Teaching load include effective project management for engineers,industrial management,process & plant design for chemical engineers,engineering economics,HSE for chemical & petroleum departments,procurement management,supervision of research at masters & PhD levels.*
3. *2008----2009 :Follow-up of procurement ,installation and start-up of a complete turn-key bottled water production line for Soba Mineral water company,tasks include supervision of the implementation multinational team from Italy,France,Egypt and Lebanon.*
4. *Nov.02-Jul 04:Director-Projects Department, Elnelien Holding Company-Khartoum.Responsibilities include follow-up of implementation of different industrial projects for about 20 Sudanese companies comprising Elnelien Holding company.*
5. *Nov. 02-Jul. 04: Chairman-Exeutive Committee-White Nile Leather Industries Company, Khartoum.In addition to the ordinary operations management,tasks include procurement of machinary ,equipment and raw materials for that industry.*
6. *1999-Nov.2000:Managing Director, Ghanawa Meat Trading Company (Head of Project implementation unit & then Managing Director).This project financed was financed from PTA regional bank of HQ in Nairobi,Kenya.*
7. *1998-1999:Expert, Strategic Management Unit, Elnilein Holding Company.Major tasks of this job include planning using network analysis in addition to the evaluation of assets to be acquired by the group.*
8. *1998-1999: Member of The Board Of Directors / Member Of The Executive Committee -Elshifa Pharmaceutical Products Factory-Khartoum North.*
9. *1987 – 1998:*
 - *First Expert - Projects Division-BADEA (Arab Bank for Economic Development in Africa).identification,appraisal,follow-up and post evaluation of development projects.*
 - *(B) Expert- Projects Division, At The Department Of Projects, Programmes & Legal Affairs, Badea.*
 - *(C) Assistant Expert – West Africa Division– Operatioins Department – Arab Bank For Economic Development In Africa (BADEA)*

10. 1984 –1987: Lecturer, assistant professor , process design – Faculty of Engineering , University Of Khartoum , Sudan
11. 1983–1984: Research Engineer-Societe Civile Darbone- Milly La Foret (France)& Research Engineer Societe Usifroid - Paris- France (Sister Company Of The Liquid Air).
12. 1979 – 1984: Teaching Assistant, Faculty Of Engineering. Univerity of Khartoum.
13. 1979 –1979: Head of The Engineering Section, Food Research Centre, Shambat, Sudan.
14. 1975 – 1979: Research Assistant, Food Research Centre, Sudan

4. *Relocationof Capo Dairy From Soba To Khartoum North - a Plant Site Comparitive Study – October 2001 .*

5. *Almanshia Housing Complex – Elnifiedi (Elnorus) Group – Finance Study – Sept. 2002 .*
6. *Development of The Faculty of Engineering University of Khartoum – Team Leader – Study prepared for International Financing Institutions (Nov. 2003 Updated 2004 and 2008).*
7. *Establishment of a Model Technical College – Team Leader – Ministry of Higher Education & Scientific Research. July 2004.*
8. *Pre-Feasibility Study Soba Spray –Dried and Mechanically Powdered Gum Arabic Plant –October 2004.*
9. *Feasibility Study for Bottled Water Plant and Water Purification Units Plant in Sudan. May 2005.*
10. *Comparative study for distribution of finished products or processing & distribution of Saudi Fruit juices & Beverages Company products in Sudan. June 2005.*
11. *Marketing Study, Wheata Flour Mills, Dec 2005.*
12. *Marketing Study, Electrical Cables Plant, Khartoum, Feb. 2006.*
13. *International team for the Evaluation of Applied Research in Agriculture and Animal resources in Sudan, report submitted to Ministry of science and technology in July 2006,. Study financed by EU.*
14. *Detailed feasibility study and procurement of machinery and Equipment ,New Tabaldi batteries factory, Khartoum, July 2007.*
15. *Techno-economic feasibility study for the University of Khartoum FM broadcasting, Training studios and TV center, October 2009.*
16. *Techno-economic feasibility study for the renovation and modernization of the University of Khartoum libraries, October 2009.*
17. *Gezira abbattoire assets evaluation, April/May 2010.*
18. *Rrhabilitation of New Halfa Agriculture Scheme ,a bankable project document preparation & appraisal report , Consultancy assignment for the Islamic Development Bank ,Jeddah ,January – February 2012.*
19. *Assets valuation Port Sudan Refinery June 2012*
20. *Asset valuation of Sudanese sugar company. August 2012*
21. *Environmental impact assessment (eia) of gold tailings processing in Abu hamad ,River Nile State ,December 2012*
22. *Enironmental impact assessment of Khartoum -Madani multi-products petroleum pipeline. May 2016*

International Identification, Appraisal and Evaluation of Development Projects : (With

*BADEA–Arab Bank For Economic
Development In Africa):*

- 1. Petroleum Storage Project. (Sao - Tome & Principe).*
- 2. Petroleum Storage Project (Moroni – Comoros).*
- 3. Dom-Dom Rural Development Project – Chad .*
- 4. Cellucam Paper Pulp Project –Cameroun .*
- 5. Lake – Chad Development Project – Chad .*
- 6. Bohicon Vegetable Oils Production – Benin .*
- 7. Xinavane Sugar Project – Mozambique .*
- 8. North – South Pipeline And Water Treatment Project- Botswana.*
- 9. 7 Rural Centres Water Supply Project – Guinea*
- 10. Tema Food Complex – Ghana.*
- 11. Temale Rain-Drainage Project – Ghana .*
- 12. Takoradi Thermal Power Project – Ghana .*
- 13. Maseru Sewerage Project – Lesotho .*
- 14. Maseru Water Supply Project – Lesotho .*
- 15. Sorou Valley Irrigation Project – Burkina Faso .*
- 16. Senegal Chemical Industries & Fertilisers Project – Senegal .*
- 17. Sokode Water Supply Project - Togo .*
- 18. Integrated Development Project . At Saouni – Mali .*
- 19. Production Of Salt And Soda – Gabon .*
- 20. Bissau Thermal Power – Guinee Bissau .*
- 21. Rehabilitation Of Fish Canning Industry - Cape Verde.*
- 22. Kidal Water Supply – Mail .*

Certification:

I, the undersigned, certify that to the best of my knowledge and belief, these data correctly describe myself, my qualifications and my experience.
