

Personal Data

Family Name: Abdalla

First Name: Mohamed

Middle Name: Abdelmonem Mohamed

Date and Place of Birth: 30th July 1977- Atbara-Sudan

Nationality: Sudanese

Social Status: Unmarried

Languages: Arabic & English

Address: Elfaruq City – Elestkhara Street – Block No (5) – Home No (193), Khartoum, Sudan.

Mobile: +249128271057 or +249928896603

E-Mail: mohamed997009@ hotmail.com, or@gmail.com

Academic Qualifications

- **M.Sc:** By Research in Mineral Processing (Beneficiation), Department of Mining Engineering, Khartoum University, year-2010.
- **B.Sc:** (Honor) in Mining Engineering, First Class with GPA 7.18, year-2004.

Training, Workshop and Courses

Trained within the Chromites Mines of Sudan, Aryab Gold Industry in Sudan and Beneficiation of Iron Ores and Mineral Analysis at GRAS, Sudan.

- **University of Khartoum, English Language Institute (ELI)**

I have completed and successfully passed the one-level intensive English language programme (Upper-Intermediate), in the period from 1 to 27, August, 2011.

- **University of Khartoum and University of Reading(U.K.)**

I have attended continuing professional development course (CPD) in: Research Formulation, Method and Skills, between 16th –22nd of December 2010, under Delphi project, sponsored by

the Department for International Development (DFID), and managed by the British Council, in Khartoum, Sudan.

- **Institute of laser, Sudan University of Science and Technology**

I have attended a workshop on: Laser applications in chemical analysis and oil industry in the period from 27 to 28- Apr.2008, Khartoum- Sudan.

- **Staff Development Center (University of Khartoum)**

I have attended the Educational Preparation course. Organized at the Center from the 6th August to 9th September 2007. It's details as follows. Philosophy and Development of Higher Education , Distance Education , Teaching Methods , Computer and Internet skills , Assessment and Evaluation in Higher Education , Counseling and Guidance , University Educational Systems , Principles of Curriculum Development in Higher Education , Psychology of Learning , Research Methods , The legislations of Higher Education , Quality and Assurance in Higher Education , University Administration , Educational Technology , Educational Functions – of the University , Virtual University , Teaching Ethics , and Micro-Teaching.

- **China National Logging Corporation**

I have successfully completed the training course on Wellbore Technical Service and Wire line Logging, Well Testing and Mud logging Interpretation Techniques, inKhartoum, Sudan, from July 26, 2005 to August 22, 2005

Summary of Work Experience

S

Position:

Lecturer: Department of Mining Engineering, Khartoum University, from 2010 till present.

Teaching assistant: Department of Mining Engineering, Khartoum University from 2006 to 2010.

Duties of This Position:

Lecturing the followings subjects: Minerals Processing, Mine Safety, Mineral Economics and Evaluation, Mine development and Shaft Sinking.

Given tutorials for the undergraduate students on, Minerals Processing, Thermodynamics, Materials Handling, Computer Applications and Soil & Rock Mechanics. Performed a quotation of tools should be used in Minerals Processing Lab.

<p>Position</p> <p>Mineral Engineer: Department of Exploration and Evaluation, Geological Research Authority of Sudan (GRAS), year 2006.</p> <p>Associate teaching assistant: Within Mining Engineering and Petroleum and Natural Gases Departments of Faculty of Engineering of Khartoum University, from 2004 to 2005.</p>	<p>Prepared detailed equipments and accessories bill of quantity and imported them from outside Sudan, for Minerals Processing Lab like:</p> <p>*Wet Permanent Magnetic Separator</p> <p>*Floatation Cell</p> <p>Duties of This Position:</p> <p>Supervisor on Gold Extraction Project, State of Northern Sudan.</p> <p>Taught Thermodynamic Tutorials for the undergraduate students on the Second and Third years within Mining and Petroleum Engineering Departments.</p>
---	---

Demonstrable Skills

- **Training**

Excellent and practiced oral spoken and written communication, trained in training, enjoying working one – to – one and presenting to a group.

- **Personal Organizational Capabilities**

Good personal time – management skills. Happy working by myself or in a group. I am practiced in self – motivation, teamwork and staff – management.

Computer skills

I am an Excellent in Word / PowerPoint/ Excel, Proficient in Internet, Computer Maintenance and Expert in other Media Software Programs, like: Minerals Processing and Mining Softwares. Also I can make programs with the C or Pascal Languages.

Prizes

- University Prize for the best academic performance..
- Aryab Mining Company Prize for the best academic performance.

- Geological Research Authority Prize for the best academic performance.
- Engineering Society Prize for the best final year project.
