Education

- 1993 - 2000 Elementary School, Khartoum, Sudan
- 2001 – 2003 Alshik Mustafa Elamin Secondary school, Khartoum, Sudan
- 12/2003 – 2005 University of Khartoum, Faculty of Agriculture, Field of study General Agriculture.
- 2006-01/2009 B.Sc. (Agric) Honours - Class One, Department of Agricultural Engineering, Faculty of Agriculture, University of Khartoum, Khartoum, Sudan.
- 10/2009 – 12/2011 M.Sc. degree in Agricultural Engineering, Faculty of Agriculture, University of Khartoum, Khartoum, Sudan.

Academic Qualifications

- Second University Degree:

Name of Degree: Master of Science (Agricultural Engineering)

Date of Degree Awarded: December 15, 2011

College: Graduate College

Name and location of University: University of Khartoum, Khartoum, Sudan

Specialization: Agricultural Engineering

- First University Degree

Name of Degree: Bachelor of Science (Honours) in Agriculture (Agricultural Engineering) – First Class

Date of Degree Awarded: January 19, 2009

College: Faculty of Agriculture

Name and location of University: University of Khartoum, Khartoum, Sudan

Specialization: Agricultural Engineering.

Work Experience

- 03/2009 – Now: Teaching assistant at Department of Agricultural Engineering, Faculty of Agriculture, University of Khartoum, Khartoum, Sudan.
- 14/12/2009 – 21/01/2010: The initial course in educational preparation organized at staff development centre (University of Khartoum)
- 12/2011: Graduated on master's degree, Department of Agricultural Engineering, Faculty of Agriculture, University of Khartoum, Khartoum, Sudan.
- 06/2011- 12/2011 : Study and research visit in Soil Hydrology Division, Georg-August Universität Göttingen, Göttingen, Germany

Language

- Arabic - mother tongue
- English
- German (poor)

Employment History

- March/2009 – Dec/2011 : Appointed as a Teaching Assistant, University of Khartoum, Faculty of Agriculture, Department Agricultural Engineering.

- Job description : Conduct practical classes.

- January 2012 – now : Lecturer at the Department Agricultural Engineering

Courses attended

- February 2010 Initial Course in Educational Preparation, staff development center, University of Khartoum, Khartoum, Sudan
- Soil and Plant Hydrology, Soil Hydrology Division in the Georg-August Universität Göttingen, Göttingen, Germany 2011

Degrees

- [B.Sc.](#)
- [M.Sc.](#)

Membership of Societies

- Member of the Sudanese Agricultural Engineers Union
- Member of the Sudanese Agricultural Council
- Member of the Sudanese Agricultural Engineers Society

Academic Awards

- University of Khartoum prize for the best overall student in the first year in the Faculty of Agriculture, University of Khartoum, 2004
- University of Khartoum prize for the best overall student in the second year in the Faculty of Agriculture, University of Khartoum, 2005
- University of Khartoum prize for the best overall student in the third year in the Faculty of Agriculture, University of Khartoum, 2006
- University of Khartoum prize for the best overall student in the fourth year in the Faculty of Agriculture, University of Khartoum, 2007
- University of Khartoum prize for the best all round student passing out of Faculty of Agriculture, University of Khartoum, 2008
- University of Khartoum prize for the best overall student in the fifth year in Agricultural Engineering option in Faculty of Agriculture, University of Khartoum, 2008
- University of Khartoum prize for the best five studentall round student passing out University of Khartoum, presented by the president of the University of Khartoum, and Financial rewards that amount to 2 million Sudanese Dinars, 2008
- Sudanese Cotton company prize for the best overall student in the final year in practical Agriculture, 2008

Scholarship

- German Academic Exchange Service (DAAD) in-Country scholarship (A/09/04636) for Master Degree, 10/2009
- German Academic Exchange Service (DAAD) Short Term Research Grants for research visits to Germany (A/11/07102) from 07/2011-12/2011

Conferences and partnerships

- 2010 Graduate Studies and Scientific Research conference, University of Khartoum, Khartoum, Sudan.
- 2011 I participated to a bilateral cooperation between the Desertification Research Institute, the University of Khartoum, and the Arid Land Research Center, Tottori University of Japan. The joint project studied the effect of Mesquite trees on water resources in Sudan.
- October 2011 Tropentag (Development on the margin) International Research on Food Security, Natural Resource Management and Rural Development, October 5 - 7, 2011, University of Bonn, Bonn, Germany.
