

1. Personal Details

1.1. Personal definition

Name	Samir Mohamed Hassan Shaheen
Academic Status	Associate Professor
Department	Dept. of Orthopaedics. and Trauma
Faculty	Medicine
Languages	Arabic, English and German
E. mail	drsshahen@hotmail.com

1.2. FIELD OF WORK

Orthopaedic Surgery, Paediatric Orthopaedics, Medical Education

1.3 SPECIAL INTEREST

Paediatric orthopaedics, Rehabilitation Technology, Amputation Surgery,
Reconstruction of developmental anomalies, Clubfoot Surgery

Medical Education

2. Academic Qualifications

Degree	Institution	Country	Date
MBBS	University of Khartoum	Sudan	May 1981
Diploma in Sport Medicine and Injuries	Orthopaedics University Clinic Heidelberg, 1992	Germany	December 1992
MD Orthopaedic Surgery	University of Khartoum	Sudan	May 1999
Fellowship	Ulm University	Germany	2005

AO (Association of Osteosynthesis)			
MSc Medical Education (JMHPE),	Maastricht/Sues Canal Universities	Netherland and Egypt	October 2011

3. ACADEMIC APPOINTMENTS EXPERIENCE INCLUDING INDICATIONS of External Recognition

Position/Title	Institution/ country	Date
Associate Prof	Uni. Of Khartoum	From 2006 to date
Assistant Prof	Uni. Of Khartoum	1999 to 2006
Teaching assistant	Uni. Of Khartoum	1996 to 1999
Doctor in-charge, National Centre for Prosthetics and Orthotics	Ministry of Health/ Ministry of Social Welfare Khartoum Sudan	1994 – 1999
Training in Sport Injuries, prosthetics and Orthotics rehabilitation and amputation surgery	University clinics Heidelberg and Muenster, Germany	1991 – 1994
General Surgery Registrar	Medical Corps Hospital Sudan	June 1990 – April 1991
Preparing for Part 1 FRCS, Passed the exam	Dublin, Ireland	November 1989 to June 1990
Worked for IARA, a UNHCR/ WHO affiliated NGO, worked with refugee camps,	Sudan and South east Asia Office of IARA	June 1984 to June 1989

amputees and rehabilitation of physically disabled.		
Medical officer at Khartoum teaching hospital, Orthopaedics and Trauma University Unit	Sudan	1982 – 1984
Internship as a house officer in paediatrics, orthopaedics, Obstetrics and Gyn. And general surgery in Khartoum and Shandi hospitals	Sudan	May 1981 – July 1982

4. SPECIALISED/ PROFESSIONAL TRAINING

Training	Institution / Country	Date
Rehabilitation technology (Prosthetic, Orthotics and amputation surgery)	Technical Orthopaedics University Clinic Muenster, Germany	Dec 1992- Feb 1994)
Ponseti Method in clubfoot management	Sudan	2004
Association Of Osteosynthesis (AO) Fracture fixation Fellowship Course	University of ULM - Germany	2005

5. SCHOLARSHIPS, Awards, Honours and Distinctions

5.1. Scholarships

Awarding Body	Country	Date
(German Academic Exchange Service) DAAD	Germany	1991 – 1994
AO Foundation	Switzerland / Germany	2005
DAAD	Germany	2008
WHO	Netherland/Egypt-	2011

5.2. AWARDS

Award	Awarding Body	Country	Date
Academic Excellence	University of Khartoum	Sudan	2015

6. PROFESSIONAL COURSES & WORKSHOPS ATTENDED

Training Course/ Workshop	Body	Country	Date
Basic (Association of Osteosynthesis) AO course	AO foundation	UAE, Dubai	September 2004
Foot and Ankle Wet Lab Course	Gulf Countries Council Orthopaedic association	Saudi Arabia	December 2004
Limb Deformity Correction	(Association for the Study and Application of the Methods of Ilizarov) ASAMI	Goa India	April 2005

7. COURSES & WORKSHOPS ATTENDED IN EDUCATION

Training Course/ Workshop	Body	Date
---------------------------	------	------

Curriculum designing,	Educational Development Centre (EDC),	2001
Educational Planning	EDC / WHO	May 2001
Thesis supervision	EDC	July 2003
Medical Informatics (HINARI)	EDC/WHO	June 2004
Evidence Based Medicine	EDC	August 2004
Accreditation System for Medical Education,	EDC	2005
MCQ construction	EDC / Soba Uni. Hosp.	2005
Teaching, Supervision and Assessment Skills,	Royal College of Physicians England and Sudan Medical Specialization Board	November 2006

8. TEACHING & EXAMINATION EXPERIENCE

a) Teaching Responsibilities for this Academic year and last Academic year

This year 2015

i) Undergraduate

Course Title	Credit hours	Semester/year	Curriculum year
Foot Deformities and anomalies	2 hours	Semester 10	
Surgery of cerebral palsy	2 hours	Semester 10	

Clinical rounds	3 hours / week	Semester 7	
Ethics and Professionalism	2 Hours Seminar	Semester 7	

ii) Postgraduate

Course Title	Credit hours	Semester/year	Curriculum year
Orthopaedic accessories & Orthopaedic Appliances, MSc clinical pharmacy Uni. Of Khartoum	4 hours	Semester 2	
* Convenor of MSc in Medical Education (MHPE), Assessment and evaluation, Four stage clinical Skills teaching	2 + 3 +2	Semesters 1, 2 and 3	
Orthopaedics aspects of Rehabilitation of a disabled Child, MSc Degree in orthopaedic nursing, University of Medical Sciences and Technology	3	Semester 2	

iii) Staff Training

Training	Staff Grade	Institution	Date
Couse and Curriculum Designing	Heath Professions Council and Teaching Staff	EDC	2015
PhD proposal writing (2 courses per year)	PhD students preparing for DAAD scholarship in Germany	EDC	2015
Research Methodology and Technology assisted Research	U of K Postgraduate students in anatomy,	EDC	2015

	biochemistry and physiology		
Teaching and Learning , Assessment and Evaluation courses	University staff	EDC	2015
Training in Paediatric Orthopaedics course	16 Clinical MD orthopaedic registrars every year.	Soba University Hospital	2015

b) Summary of Teaching Responsibilities in the two Academic years prior to a) above

Last year...2014.....

i) Undergraduate

Course Title	Credit hours	Semester/year	Faculty
Foot Deformities and anomalies	2 hours	Semester 10	Medicine
Surgery of cerebral palsy	2 hours	Semester 10	Medicine

Clinical rounds	3 hours / week	Semester 7	Medicine
Upper extremity Fractures and dislocation	1	Semester 7	Medicine
Ethics and Professionalism	2 Hours Seminar	Semester 7	Medicine

ii) Postgraduate

Course Title	Credit hours	Semester/year	Faculty
Orthopaedic accessories & Orthopaedic Appliances, MSC clinical pharmacy	4 hours	Semester 2	Pharmacy, Uni. Of Khartoum
Research Methodology and Technology assisted Research	On-going course	EDC	U of K Postgraduate students in anatomy, biochemistry and physiology
PhD proposal writing	2 courses	EDC	PhD students preparing for DAAD scholarship in Germany

iii) Staff Training

Training	Staff Grade	Institution	Date
Couse Design	Heath Professions Council and Teaching Staff	EDC	2014
Teaching and Learning	Teaching staff form different universities	EDC	2014
Assessment and Evaluation	Teaching staff form different universities	EDC	2014

PhD proposal writing(2 courses)	PhD students preparing for DAAD scholarship in Germany	EDC	2014
Research Methodology and Technology assisted Research	Clinical MD candidates of the Sudan Medical specialization Board	EDC	2014
Training in Paediatric Orthopaedics course	16 Clinical MD orthopaedic registrars every year.	Soba University Hospital	2014

c) Examinations

i) Undergraduate

Status	Course Title	Faculty	University	Date
Examiner / Coorganizer	Final MBBS, Surgery/orthopaedics	Medicine	Khartoum	1999 to Date
Examiner	Final MBBS, Surgery/orthopaedics	Medicine	University of Medical Sciences and Academy of Medical sciences and Technology	2002, 2003, 2004
Examiner	Final MBBS, Surgery/orthopaedics	Medicine	Khartoum college for medical sciences	2006/2007/2008
Examiner	MBBS, Surgery/orthopaedics	Medicine	Ahfad	2010 / 2011
External Examiner	BSc in Physiotherapy and Rehabilitation.	Physiotherapy	National College	2011 / 2012

ii) Postgraduate

Status	Course Title	Faculty	University	Date
Examiner and course designer Orthopaedic Health	MSc Clinical Pharmacy	Pharmacy	University of Khartoum	2006 To date

accessories				
Examiner/ Course Organizer Paediatric Orthopaedic Nursing	MSc in Orthopaedic Nursing- Course	Nursing	University of science and technology Khartoum	2010
External Examiner, Thesis	MSc in Anatomy	Medicine	Ribat University	2014

iii) Professional

Status	Course Title	Body	Country	Date
Examiner	Part I and II MD orthopaedics	Uni. Of Khartoum	Sudan	2000 to 2006
Examiner and organiser	Part I and II MD orthopaedics,	Sudan Medical Specialization Board	Sudan	2006 to date
Examiner	Part I and II MD general Surgery, Medicine, Khartoum,	Uni. Of Khartoum	Sudan	2001 – 2008
Examiner	Clinical Examinations	Arab board (Orthopaedics)	Arab countries	2010 to date

9) ADMINISTRATIVE & PROFESSIONAL RESPONSIBILITIES & ACTIVITIES at
UNIVERSITY of KHARTOUM

i) ADMINISTRATIVE RESPONSIBILITIES

Date	Position
October 2012 to date	Director of Educational Development Centre (EDC)
October 2004 - October 2012	Head of the department of Orthopaedics
2007 to 2011	Deputy Chair of student support committee at the Faculty of Medicine U of K, (Bagdadi Waqaf committee)
December 2005 to date	Head of Orthopaedics and Paediatric Orthopaedics-Soba University Hospital

June 1999 – October 2004	Secretary of the Dept. of orthopaedics
--------------------------	--

ii) NEW ESTABLISHMENTS

Date	Establishment
2004	Digitalization and computerization of Paediatric Orthopaedic Unit data at Soba University Hospital
2005	Sudan Clubfoot Clinic at Soba University Hospital
2007	Arthroplasty unit at Soba University Hospital
2012	Brachial Plexus unit at Soba University Hospital

iii) SERVICE ACTIVITIES

Date	Activity
2006 to Date	Orthopaedic surgeon in-charge for the Spina Bifida and sickle cell clinics
2004 to date	Consultant Paediatric
1999 – 2004	Orthopaedic Surgeon and in-charge of a Unit at Khartoum Teaching Hospital (KTH)
1999 to 2004	Haemophilia Clinic at (KTH), multidisciplinary Clinic for Haemophilic patients in Khartoum Teaching Hospital.

iv) OTHER ACTIVITIES

Date	Activity
* 2014	Member of Board of trustees of the UNESCO chair for Bioethics, University of Khartoum
* 2014	Repertoire of the committees for Establishment and curriculum designing for Niyala and Aldamazin Medical college.
* 2014 to date	Deputy Head Orthopaedics Board in the Arab specialization Board
* 2010 – 2014	Head of Curriculum committee Orthopaedics Board in the Arab specialization Board
* 2013 to date	Head Orthopaedics Board in the Sudan Medical Specialization Board

Feb. 2013,	Volunteer Orthopaedic surgeon of the Sudan Paralympic Team.
2007 to 2009,	Volunteer Orthopaedic surgeon for the Sudan National Volley Ball Team.
2006 - 2007	Consultant for DDR Sudan/UN, (Disarmament, Demobilisation and Reintegration) program , rehabilitation of the war injured and reintegration process as part of the peace process in Sudan. 2006 - 2007
2005 to date	Volunteer Orthopaedic Surgeon and Member of Executive board Khartoum Cheshire Home for disabled children
2000	Head of the Sudan Medical Team for the relief operations and care of the injured during the earthquake in Turkey.
1998 – 1999	Part time consultant for the ICRC (International Committee of the Red Cross), Designed Kassala (east of Sudan) Prosthetics and Orthotics project for Oxfam and ICRC as part of their projects for rehabilitation of land mine amputees in Sudan

10) MEMBERSHIP

i) LOCAL

Status	Association/ Society	Town//Country	Date
Founding Member,	Sudan Orthopaedic Surgeons Association	Sudan	Since established 2006
Academic Secretary	Sudan Orthopaedic Association	Sudan	2008 to 2013
Member	Sudan Association of Surgeons	Sudan	1999 to date
Member	National council for the welfare and rehabilitation of the disabled	Sudan	1996 to Date
Member	National Campaign to ban land mines In Sudan,	Sudan	1999 to 2005
Founding Member	Global Doctors Organization. Al - Zubair Charity Foundation, Khartoum.	Sudan	
Member of Board of directors	Global Health foundation	Sudan	2004 – 2012
Member of Board of trustees	Khartoum Cheshire Home	Sudan	2005 to date

ii) REGIONAL

Status	Association/ Society	Town/Country	Date
Member	Egyptian Orthopaedic association	Egypt	Since 2009
Member	Egyptian Paediatric Orthopaedic association,	Egypt	Since 2011

iii) INTERNATIONAL

Status	Association/ Society	Town/Country	Date
Member	German Sport Medicine Association	Heidelberg/Germany	1992
Invited member	Faculty for Ponseti method and Ponseti International, as best provider of Ponseti method.	Iowa University/USA	2012
Member	SICOT, International society of orthopaedics and Traumatology	Belgium	Since 2004
Member	World Orthopaedics Concern (WOC)	UK	2004
Member	World Orthopaedics Concern German Speaking group for prosthetic and orthotics rehabilitation.	Berlin – Germany	2003
*)Member of ASAMI	Association for the Study and Application of the Methods of Ilizarov (ASAMI) & President of ASAMI Sudan	Italy	2010 – to date

11) ORGANISATION OF PROFESSIONAL TRAINING COURSES

Status	Training course/ Symposium	Country	Date
Organiser	Designed and implemented curriculum of Prosthetics and Orthotics for Mid-level orthopaedic Technicians, Joint WHO and ICRC (international Committee of the Red Cross). National Prosthetics and Orthotics	Sudan	1997
Organiser	Ponseti Method of clubfoot management	Sudan	2005
Member of	Ponseti Method of clubfoot management	Ethiopia	March 2006

Organising committee			
Organiser	1st training course in Total Knee Replacement at Soba Uni. Hosp.	Sudan	27/5/2007 – 1/6/2007
Member Organising committee	Limb deformity correction and pelvic osteotomies for orthopaedic residents,	Sudan	January 2013

12) ORGANIZATION OF SCIENTIFIC CONFERENCES, MEETINGS & SYMPOSIA

Status	Seminar/ meeting/ conference/ Public Lecture	Country	Date
Speaker	Land Mine Injuries in Sudan” International Committee Red Cross (ICRC) Land Mine Conference, Grand Holliday Villa, Khartoum	Sudan	1998
Speaker and Repertoire	Africa Land Plan committee for Land Mine Victim assistance, WHO of the inter-country conference, WHO, Kampala.	Uganda	1998
Speaker and Faculty member	Amputation and prosthetic Rehabilitation” ,Seminar on war surgery, as, ICRC, Khartoum	Sudan,	November 2000
Participant and Speaker	Disability and rehabilitation” Fourth International conference of the Islamic Council on Disability and Rehabilitation, Khartoum, Islamic Council, Khartoum.	Sudan	2001
Participant and Speaker	33rd International conference of Sudanese Association of Surgeons. Osteotomy for treatment of Ankylosis and Deformity following septic Arthritis	Sudan	2004
Participant and Speaker	International conference of Saudi Orthopaedic Association,(Amputations and Prosthetic Rehabilitation)	Saudi Arabia	November 2004
Participant and Speaker	Annual Conference of Ethiopian Society of Orthopaedics and Traumatology.	Ethiopia	March 2006
Member of the scientific committee	1st International conference of Sudan orthopaedic. Association,	Sudan	2009
Participant and Speaker	International conference of Saudi Orthopaedic Association, Orthopaedic Manifestations of haemophilia	Saudi Arabia	Dec. 2010
Participant	Changing medical education: a framework for development, Sudan Medical council	Sudan	September 2011
Chairman of the scientific committee	2nd International conference of Sudan orthopaedic. Association,	Sudan	Jan 2012

Chairman of the scientific committee	3rd International conference of Sudan orthopaedic. Association,	Sudan	Dec 2012
Member of scientific Committee	7th International ASAMI Conference,	Greece	June 2012
Chairman of the scientific committee	4th International conference of Sudan orthopaedic. Association,	Sudan	Dec 2013
Participant	65th Annual conference of Egyptian Orthopaedic Association,.	Egypt	Dec. 2013
Participant, Speaker and chaired a session	66th Annual conference of Egyptian Orthopaedic Association, (Resistant Clubfoot due to Anomalous Muscles, Flexor DAL)	Egypt	Dec 2014

Communication with Learned Societies:

Established the following links for the Orthopaedic Department in the Faculty of Medicine, University of Khartoum with:

University	
1) The department of Technical Orthopaedics at Muenster University, in Germany.	* Resulted in a visit to the Sudan by Prof. R. Baumgartner, Head of the Department of Technical Orthopaedics Prosthetics and Orthotics
2) The Department of Traumatology and Reconstruction Surgery in the Medical College in Ulm University, Germany	* Resulted in the acceptance of Prof. Kinzle, Head of the Department and Prof. Gebhard, to train six junior Sudanese Specialists in the AO fellowship Program. The later has visited Sudan.
3) The Department of Orthopaedics, Assiut University, in Egypt	* Resulted in a visit by Prof. Galal Zaki as external examiner for part II MD Examination in Orthopaedics and a programme, for candidates who pass the final MD to get subspecialized training for 6 month at Assiut University Hospital sponsored by SICOT. I act as an organizer for this programme.
4) The department of Paediatric Orthopaedics, Great Ormond Street Hospital, London, UK	* Resulted in a visit by Prof. David Jones, to Soba University Hospital five times, stayed each time over a week seeing patients and teaching registrars as well as lecture and clinical rounds for 5th and 6th year medical students.
6) Association for Medical Education in Europe (AMEE)	*Dundee University, and because of that, Prof. Dent; Professor of medical education at Dundee has visited Sudan, gave a talk in the faculty of Medicine and now he teaches in the online courses of the MSc in Health Profession Education.

13) Research and related administration

a) SUPERVISION OF RESEARCH WORK

i) Undergraduate

Student Name	Thesis Title	Faculty	University	Date
Khalid A.Rahman	Artificial Knee for Lower limb Prosthetics.	Industrial designing,	Sudan University for Science & technology	1999
Madiha Ahmed Mohamed	Single axis orthotic knee component for Poliomyelitis patients	Industrial Designing	Sudan University for Science and technology	2001
Asma Osman Altayeb	Back Orthotic Device based on Back Biomechanics	Industrial Designing	Sudan University for Science&Technology	2001
Osman Alsalih	Choapart prosthetic for foot amputations	Industrial Designing	Sudan University for Science and technology	2002
Balatna Almutasim Mohamed	Knowledge, Attitude and Practice of Mothers in Relation to Rehabilitation of Children with Poliomyelitis at Soba University Hospital and Khartoum Cheshire Home.	Nursing College	Academy of Medical Sciences and Technology	2005
Co-supervised many 5th year medical students	Topics related to physical disabilities and rehabilitation	Medicine	University of Khartoum	

ii) Postgraduate Supervision (Higher Research Degrees)

1) Master

(i) (Fulfilment Research Thesis)

Student Name	Thesis Title	University	Date
A. Rahman Saad	Anatomy of clubfoot (Co-supervisor)	Khartoum	2006
Abubakr Hasan Mohamed	Genetics of clubfoot (Co-supervisor),	Institute of Endemic	2012

		Disease	
--	--	---------	--

(ii) (Partial Fulfilment Research Thesis)

Student Name	Thesis Title	University	Date
Shawgi Yahya Mohamed	Evaluation of prognostic factors for septic arthritis in Sudanese patients Clinical MD in Orthopaedics.	Sudan Medical Specialization Board(SMSB)	2000
Yasir N. Gashi	Patterns of musculoskeletal disorders among haemophilic patients in Khartoum Haemophilic Clinic, Clinical MD in Orthopaedics,	SMSB	2005
Mosab Ahmed Mohamed Elgelli	Presentation and Management of Femoral Fractures in Khartoum Teaching Hospital, Clinical MD in Orthopaedics.	SMSB	2007
Khalid Doka	Musculoskeletal complications of sickle cell anaemia patients at Khartoum Sick Cell Clinic, Clinical MD in Orthopaedics,	SMSB	2008
Nazar Abbas	Turco and Cincinnati Incisions , a comparative Study at Military Hospital and Sudan Clubfoot Clinic, Clinical MD in Orthopaedics,	SMSB	2011
Waleed Mekki	Demography and management of paediatric knee deformities of Soba University Hospital, Clinical MD in Orthopaedics,	SMSB	2011
Ahmed Shawgi	Patterns of Presentation and outcome of management of Osteogenesis Imperfecta in Soba University hospital. Clinical MD in Orthopaedics,	SMSB	2012
Alsadig Ibrahim Mohamed Arbab	, The outcome of Conservative Treatment of Obstetric Brachial Plexus palsy in Soba University Hospital, Clinical MD in Orthopaedics,	SMSB	2013
Elsamani Abdel Mahmoud salahel Deen	Outcome of Adductor Tenotomy in Sudanese Children with Spastic Cerebral Palsy. Dec	SMSB	2013

Musaab Mohamed Abdalla	Achilles tenotomy: as part of the Ponseti clubfoot management protocol safety and efficacy	SMSB	2014
------------------------------	--	------	------

2) PhD

Student	Thesis Title	University	Date
Mawahib Ahmed Mustafa	Now Supervising, Faculty of Pharmacy, Safety and Efficacy of Glucosamine/Chondroitin in Haemophilic Arthropathy	Khartoum	Now supervising

b) RESEARCH GRANTS

Proposal Title	Granting Body/country	Amount	Date
Towards Standardization of the Final Written and Clinical Exams in Medical Schools	Ministry Of Higher Education	80000	2015

c) GENERATION OF FUNDS

Fund	Body/country	Amount	Date
1) Renovation of the Department of Orthopaedics offices.	Faisal Islamic bank and other donors	51,000 Sudanese Pounds	2010
2), Sudanese Pounds, in Support of EDC activities.	Faisal Islamic Bank	80,000	2013
C-arm for orthopaedic department Soba Uni. Hospital,	State Minister of Health	250,000	2014
Equipment for orthopaedic department Soba Uni. Hospital	Khartoum State governor	420,000	under process

d) PUBLICATIONS

i) Summary

No of articles, Books and Book chapters	22
No of articles after Assistant Professor promotion	7
No of articles after Associate Professor promotion	15
No of articles in International Journal	5
No of articles in Regional Journal	2
No of articles in Local Journal	14
No of articles in Conference Proceedings	7
No of articles as First Author	18
No of articles as Second Author	1
No of articles as Last Author	1
No of articles as Original article	15
No of articles as Review article	1
No of articles as Short communication	1
No of articles as Case report/ Letter	3
No of Books and Book-Chapters	1

ii) Publications List

All of your publications in chronological order within each category following one Standard order for bibliographic references.

Example of citation: Light, M. A., & Light, I. H. (2008). The geographic expansion of Mexican immigration in the United States and its implications for local law

enforcement. Law Enforcement Executive Forum Journal, 8(1), 73-82. Please provide the journal impact factor.

In addition, in the left-hand margin please star (*) what you consider were especially significant publications and enter a 'T' against those related specifically to publications about teaching.

Where there is more than one author, you must indicate as precisely as possible the degree of your contribution, either as a percentage figure or descriptively in terms of your particular input.

(A) Articles in Journals

Authors, title, journal, date, issue no, pages, Journal impact factor
1) Shaheen S, Altayeb A, (Jan. 2004) High Femoral Osteotomy for treatment of Ankylosis and deformity following septic arthritis of the hip, Case report. Sudan Medical Journal. 41(1), 24-27
2) Shaheen S. (May-Oct 2004) Experience with Amputations and Prosthetic Rehabilitation in Khartoum. Sudan Medical Journal. 41 (2&3)16-19
3) Shaheen S, Alasha. (November 2005) Haemophilic pseudo-tumour of the distal radius and ulna: a case report. JBJS 87-A, (11), 2546 - 2549. IF: 5.280
4) Shaheen S, Edward P and Mannion S , (2006) Experience with management of clubfoot in Sudan: Sudan Clubfoot project (provisional two years report) . Bethune Round Table on International Surgery, Research in Action, University of Toronto, Page 15.

Samir Shaheen, Hatham Mursal, Mohamed Rabih and Ashok Johari . Flexor Digitorum Accessorius Longus Muscle in Resistant Clubfoot Patients - Introduction of a New Sign, predicting its presence. 66th Annual International conference of the Egyptian Orthopaedic Association December 2015. Abstract No. 008, Page 6.

C) Textbooks or Book - chapter

Authors, title, book, author, publisher, date, pages

CarolynE. D’Avanzo, Cultural Health Assessment, Pocket Guide Series, 4th edition,

2008. ISBN 978-0323-04834-7 Mosby's Pocket guide series. Chapter on Sudan. Pages 665-670

iii) Forthcoming publication

Authors, title, journal, date, issue no, pages, Journal impact factor

Samir Shaheen and Hazim Altayeby (Musculoskeletal Trauma Students' & Residents Handbook) (Prof Hazim Altayeby, Professor of Orthopaedis Alexandria / Egypt) being prepared

v) Referee of Textbooks OR Journals

Journal/ Textbook	Date
Reviewer for Journal of Medical Case Reports.	Since 2008
Reviewer for Journal of Bone and Joint Surgery British volume.(now called the Bone and Joint Journal)	Since 2011
Reviewer for the Sudan Medical Journal.	Since 2012
Member of Editorial Board, World Journal of Clinical Cases.	2012 - 2016
Member of Editorial Board, World Journal of Meta-analysis.	2013 - 2018
Member of Editorial Board, Orthopaedic Research and Traumatology,	2015

14) Future plans

Research in Progress:

- 1) Anterior Tibial Artery deficiency in clubfoot patients.
 - 2) A double blinded Placebo Controlled Clinical Trial on the effect of Glucosamine/ Chondroitin Sulphate on Haemophilic Arthropathy (a novel research: the first time in the world).
 - 3) Towards Standardization of the Final Written and Clinical Exams in Medical Schools, and this research Awarded research grant from the Ministry Of Higher Education.
- * Continue the MSc in Medical Education program, and to upgrade sub-specialities in the Orthopaedics in the department and Sudan medical Specialization Board, as well as pushing forward the international accreditation issue of the college.
