

## Suleiman Ali Suleiman Mohammed, B.Sc., M.Sc.

Senior Structural Engineer / Lecturer

Contacts: +249 912112968 / +249 123112968

Email: [eng.suleiman@yahoo.com](mailto:eng.suleiman@yahoo.com) / [suliman.ali@uofk.edu](mailto:suliman.ali@uofk.edu)

---

Date of birth	: 14 Sep. 1981, Albarkal, Sudan
Nationality	: Sudanese
Address	: Department of Construction Management and Economics, Faculty of Architecture, University of Khartoum, P.o.Box 321 Khartoum, Sudan

---

### OBJECTIVES:

To find a position in a well-established and reputable firm, where I can utilize my expertise and skills in structural engineer, quantity surveying, civil engineering and project management to make a positive contribution to the prospective firm and gain career stability and growth

### KEY QUALIFICATIONS:

Extensive experience of more than 13 years in teaching, research and practice in the field of Structures Engineering with specific focus on Structures systems, structural analysis, design of concrete and steel.

Extensive work experiences of more than 13 years in design of all structural works, quantity surveying, supervising, participate in committees of tenders Analysis and civil engineering activities in a large number of versified engineering projects.

Analyzed and designed many structures in different engineering materials, concrete, steel , brickwork , stone , timber using the well know structural system, frame structures, load bearing walls and adopting many types of floors systems , beam and slabs, flat slabs , hollow blocks, waffle slab and ribbed floors. Also designed many types of structures single and multiple story building, long span roofs bridges, abutments, culverts, water – retaining structures, elevated and underground tanks, silos, flour mills, factories and several tall buildings

Good command of computer software: Structural Analysis & Design Software (ETABS, SAFE, STAAD Pro V8i, SAP, PROKAN, ROBOT), Engineering Drawing Software (Autodesk Revit & AutoCAD), MS Office Suite and Primavera.

Good communication skills, relates well to others with a proven ability to work as part of professional, multinational teams and under pressure.

### EMPLOYMENT RECORD:

#### ACADEMIC & TEACHING:

Jun 2014 – present	<b>Lecturer</b> , Department of Construction Management and Economics, Faculty of Architecture, University of Khartoum, Teaching of Structures Theory and Analysis & Design Buildings with Reinforced concrete and steel in the Structures Division.
Sep 2017 – present	<b>Head, Department of self-evaluation and quality</b> , Faculty of Architecture, University of Khartoum
Oct 2015 – Sep 2017	<b>Head, Department of Construction Management and Economics</b> , Faculty of Architecture, University of Khartoum
May 2009 – May 2014	<b>Teaching Assistant</b> , Department of Construction Management and Economics, Faculty of Architecture, University of Khartoum (Structures Division)
Aug 2004 – Aug 2006	<b>Teaching Assistant</b> (Part-time), Department of Civil Engineering, Faculty of Engineering and Architecture, University of Khartoum

#### PROFESSIONAL PRACTICE:

Nov 2005 – present	<b>Senior Structural Engineer, Consultant Engineer</b> , Preparation of Tenders, Preparation Bill of Quantities and Assessment and Evaluation of the Existing Buildings, Technocon Engineering Group (TEG) , Khartoum, Sudan.
Nov 2009 – present	<b>Senior Structural Engineer, Consultant Engineer</b> , Preparation of Tenders, Preparation Bill of Quantities and Assessment and Evaluation of the Existing Buildings, University of Khartoum Consultancy Corporation (UKCC) , Khartoum, Sudan.
Jan 2017 – present	<b>Senior Structural Engineer</b> (Part-time), ATELIER Engineering Consultants, Khartoum, Sudan
Aug 2015 – present	<b>Senior Structural Engineer</b> (Part-time), SudArch (Architects, Planners), Khartoum, Sudan.
Feb 2013 – present	<b>Senior Structural Engineer</b> (Part-time), Osool Consultancy, Khartoum, Sudan.

Sep 2004 – present	<b>Senior Structural Engineer, Consultant Engineer</b> , Preparation of Tenders, Preparation Bill of Quantities and Assessment and Evaluation of the Existing Buildings, Self-employed.
Feb 2012 – Dec 2016	<b>Senior Structural Engineer</b> (Part-time), Architects & Consulting Engineers (ACE), Khartoum, Sudan.
Sep 2004 – Oct 2005	<b>Site Engineer / Structural Engineer</b> , Dar Consult, Khartoum, Sudan.

#### EDUCATION:

May 2012 - May 2014	<b>M.Sc. in Structures Engineering</b> , Faculty of Engineering, University of Khartoum, Sudan.
Sep 1999 - Sep 2004	<b>B.Sc. in Civil Engineering</b> (Honors) (First Class), Faculty of Engineering and Architecture, University of Khartoum, Sudan.

#### TRAINING COURSES:

Jan 2016	AUTODESK REVIT Course, TEG, Khartoum, Sudan.
Mar 2014	PMP Certification Preparation Course, BPTC, Khartoum, Sudan.
May 2004	Quantity Surveying (Final Year of B.Sc. Elective Course), Department of Civil Engineering, Faculty of Engineering and Architecture, University of Khartoum, Khartoum, Sudan.
Jan 2004	Structural Analysis and Design using STAAD III, Department of Civil Engineering, Faculty of Engineering and Architecture, University of Khartoum, Khartoum, Sudan.

#### PROFESSIONAL MEMBERSHIPS:

Since Sep 2011	<b>Specialist Engineer</b> , Sudanese Engineering Council, (No. EC/ER/SE/1929)
Since Nov 2009	<b>Full Member</b> , Sudanese Engineering Society, Khartoum, Sudan.
Oct 2005	<b>Graduate Engineer</b> , Sudanese Engineering Council, (No. EC/ER/GE/ 6694)
Oct 2005	<b>Member</b> , Sudanese Engineering Society, Khartoum, Sudan.

#### PRIZES & AWARDS:

Sep 2004	Sudanese Engineering Society Award for best graduation project fifth year, Khartoum, Sudan.
Sep 2004	The National Authority for Roads and Bridges Award for Best Performance in Material Highway & Transportation fifth year, Khartoum, Sudan.

#### LANGUAGES AND DEGREE OF PROFICIENCY:

English	:reading, writing, speaking - Good
Arabic (mother tongue)	:reading, writing, speaking – Excellent

#### RESEARCH INTERESTS:

- Structures systems.
- Innovative structural systems and structural rehabilitation.
- Steel and Concrete Buildings and Bridges (including Tall Buildings and Long-Span Bridges).
- Earthquake and wind resistant design of structural systems.
- Structural assessment and strengthening of civil engineering.
- Theoretical and finite element modelling of engineering structures.
- Low –cost Buildings.

#### WORK EXPERIENCE:

##### TECHNOCON ENGINEERING GROUP (TEG): NOVEMBER 2005 – PRESENT

Project Title	: <b>Extraction Plant - Delta Oil Factory, Khartoum North, Sudan – Jul. 2017</b>
Client	: Mahgoub Sons Group
Description	: Structural Design of the Machines Buildings (6 Levels) of Steel.
Project Title	: <b>Almanna Villa, Khartoum, Sudan – Jun. 2017</b>
Client	: Etqan Development
Description	: Structural design of the building (4 Floor) of R.C.
Project Title	: <b>Refinery Building – Montana Oil Factory, Khartoum North, Sudan – Aug. 2016</b>
Client	: Montana Company

Description	: Structural Design of the Machines Buildings (6 Levels) of Steel.
Project Title	: <b>Refinery Building - Delta Oil Factory, Khartoum North, Sudan – Mar. 2016</b>
Client	: Mahgoub Sons Group
Description	: Structural Design of the Machines Buildings (6 Levels) of Steel.
Project Title	: <b>Haloob (Poultry Feed Complete Plant), Khartoum North, Sudan – Aug. 2015</b>
Client	: Haloob Company Ltd
Description	: Structural Design of the Silos and Foundation of Buildings (4 Floors) of R. C.
Project Title	: <b>Rotana Flour Mills, Elgaily, Khartoum North, Sudan – May. 2015</b>
Client	: Rotana Flour Mills CO. Ltd
Description	: Structural Design of the Silos and Foundation of Buildings (8 Floors) of R. C.
Project Title	: <b>Albaraka Bank – Alsitteen Street Branch, Khartoum, Sudan – Feb. 2015</b>
Client	: Albaraka Bank
Description	: Structural Design of the tower (5 Floors) of R.C.
Project Title	: <b>Zain Sudan - New Warehouse Complex, Khartoum, Sudan – Dec. 2014</b>
Client	: Kuwaiti Sudanese Holding Company LTD (Zain SD)
Description	: Structural Design of the Office Buildings (6 Floors), Annex Buildings (3 Floors) and Warehouse (100mX100m) of R.C.
Project Title	: <b>Zain Sudan - Call Center, Elgeraif West, Khartoum, Sudan – Jun. 2014</b>
Client	: Kuwaiti Sudanese Holding Company LTD (Zain SD)
Description	: Structural Strengthening of the tower (10 Floors) of R.C.
Project Title	: <b>Elfirdous Flour Mills, Dongula, North State, Sudan – May. 2014</b>
Client	: Elfirdous Flour Mills CO. Ltd
Description	: Structural Design of the Silos and Buildings (8 Floors) of R. C.
Project Title	: <b>Students Hostel &amp; Mall, Almaamora, Khartoum, Sudan – Apr. 2014</b>
Client	: Student National Welfare Fund (SNWF)
Description	: Structural Design of the six towers (7 Floors) of R.C.
Project Title	: <b>Doha't El Neel Project, East Khartoum - El Shaty, Khartoum, Sudan – Jul. 2013</b>
Client	: Mackeen Africa
Description	: Structural Design of the tower (14 Floors) of R.C.
Project Title	: <b>Upper Atbara &amp; Setit Rivers Road Project, River Nile State, Sudan – Feb. 2013</b>
Client	: Ministry of Water Resources & Electricity
Description	: Structural design of the 7 Box Culverts.
Project Title	: <b>Elhamama Flour Mills Factory, Khartoum, Sudan – Jan. 2013</b>
Client	: Elhamama Flour Mill CO. LTD
Description	: Structural Design of the four Silos (Foundations Reinforced concrete)
Project Title	: <b>Health Centre - Elthora Hara (2) - Karri, Khartoum, Sudan – Dec. 2012</b>
Client	: Khartoum State - Ministry of Health
Description	: Structural design of the building (one Floor) of R.C.
Project Title	: <b>Gena Modern Flour Mills, Khartoum North, Sudan – Sep. 2012</b>
Client	: Gena Development CO. LTD
Description	: Structural design of the Silos and Buildings (8 Floors) of R. C.
Project Title	: <b>Alsaffat Residential Complex, Khartoum, Sudan – May. 2012</b>
Client	: Social Security Investment Authority Insurance Fund
Description	: Structural Design of the two towers (11 Floors) of R.C.
Project Title	: <b>Pre-stressed Concrete Pole Factory, Khartoum, Sudan – May. 2012</b>
Client	: Pre-stressed Concrete Pole Factory
Description	: Structural design of the building (two Floors) of R.C.

Project Title	: <b>NBAD Regional Office Tower, Khartoum, Sudan – Apr. 2012</b>
Client	: National Bank of Abu Dhabi
Description	: Participate in the structural design of the tower (14 Floors) of R.C.
Project Title	: <b>Seen Flour Mills (2) Project, Khartoum North, Sudan – Jan. 2012</b>
Client	: Seen Flour Mills CO. LTD
Description	: Participate in the structural design of the Silos and Buildings (8 Floors) of R.C.
Project Title	: <b>Umm Ruwaba – Abu Gubeiha Road, South Kurdofan, Sudan – Oct. 2011</b>
Client	: National Highway Authority – Ministry of Transportation
Description	: Structural design of the 10 Box Culverts.
Project Title	: <b>Mosque of Hassan Elfateh Garerb Alla, Oumdrman, Sudan – Mar. 2011</b>
Description	: Structural redesign of the building of R.C.
Project Title	: <b>Sudan Ophthalmic Centre, Khartoum, Sudan – Oct. 2010</b>
Client	: Sudan Ophthalmic Centre
Description	: Structural design of the tower (7 Floors) of R.C.
Project Title	: <b>Elnujoomi Office Building, Khartoum, Sudan – Oct. 2010</b>
Client	: Social Security Investment Authority Insurance Fund
Description	: Structural design of the tower (12 Floors) of R.C.
Project Title	: <b>Mazalat Tunnel, Khartoum North, Sudan – Oct. 2010</b>
Client	: Khartoum State
Description	: Structural design of the bridge of R.C.
Project Title	: <b>Foundation of Machines In Alanduls Factory, Khartoum, Sudan – Apr. 2010</b>
Client	: Alanduls Factory
Description	: Structural design of the foundations machines of R.C.
Project Title	: <b>Festival Factory, Khartoum, Sudan – Mar. 2010</b>
Client	: Seen Flour Mills
Description	: Structural design of the foundations.
Project Title	: <b>African Factory for Modern Paints, Khartoum &amp; Garri Free Zone Warehouse, Khartoum North, Sudan – Feb. 2010</b>
Client	: African Factory & Carawan Holding Company Ltd
Description	: Structural design of the foundations.
Project Title	: <b>Hall Araak – Ice Skating, Khartoum, Sudan – Dec. 2009</b>
Client	: Araak Group
Description	: Structural design of the building of R.C.
Project Title	: <b>Rabak Mess &amp; Houses in Rabak Silo, Rabak, Sudan – Oct. 2009</b>
Client	: Strategic Reserve Corporation
Description	: Structural design of the building (2 Floors) of R.C.
Project Title	: <b>Al-Safwa Showroom, Khartoum North, Sudan – Aug. 2009</b>
Client	: Al-Safwa Group
Description	: Structural design of the foundations.
Project Title	: <b>Headquarters Ministry of Labor, Public Service &amp; Human Resources Development, Khartoum, Sudan – Jul. 2009</b>
Client	: Ministry of Labor, Public Service & Human Resources Development
Description	: Participate in the design of the tower (11 Floors) of R.C.
Project Title	: <b>Residential Building of Mairgany Sanhoory, Khartoum, Sudan – Jul. 2009</b>
Client	: Dr. Mairgany Sanhoory
Description	: Structural design of the tower (5 Floors) of R.C.

Project Title	: <b>Lecture Halls in University of Omdurman Elahleya, Omdurman, Sudan – May. 2009</b>
Client	: University of Omdurman Elahleya
Description	: Structural design of the building (4 Floors) of R.C
Project Title	: <b>Remaaf Building, Khartoum North, Sudan – Apr. 2009</b>
Client	: Rasheed Yousif Mohamed Ali (Kayter)
Description	: Structural design of the tower (10 Floors) of R.C.
Project Title	: <b>Residential Building of Elshorog City, Khartoum, Sudan – Apr. 2009</b>
Client	: Elshorog City
Description	: Structural design of the tower (5 Floors) of R.C.
Project Title	: <b>Nilan Workshop Building, Khartoum North, Sudan – Feb. 2009</b>
Client	: Mr. Salah Hassan Abusalih
Description	: Structural design of the tower (6 Floors) of R.C.
Project Title	: <b>Osman Abd Elwahab Abd Elmouneem Building, Khartoum, Sudan – Feb. 2009</b>
Client	: Osman Abd Elwahab Abd Elmouneem
Description	: Check structural design of the tower (10 Floors) of R.C.
Project Title	: <b>Car Parking, Khartoum North, Sudan – Jan. 2009</b>
Client	: National Security Service
Description	: Structural design of the building (two Floors) of R.C.
Project Title	: <b>New Car Parking (Wahat Khartoum), Khartoum, Sudan – May. 2008</b>
Client	: Wahat Khartoum Company Ltd
Description	: Participate in the structural redesign of the building (2 Floors) of R.C. Underground.
Project Title	: <b>Essam Nass Mall And Residential Building, Khartoum, Sudan – Nov. 2007</b>
Client	: Mr. Essam Nass
Description	: Structural design of the tower (5 Floors) of R.C.
Project Title	: <b>Dr. Zakaria Mubarak Mohammed Tower, Khartoum, Sudan – Oct. 2007</b>
Client	: Dr. Zakaria Mubarak Mohammed
Description	: Structural design of the tower (9 Floors) of R.C.
Project Title	: <b>Niyala Branche OF Elbaraka Bank, Niyala, Sudan – Oct. 2007</b>
Client	: Elbaraka Bank
Description	: Structural design of the building (2 Floors) of R.C.
Project Title	: <b>Future University (Computer Man) New Premises, Khartoum, Sudan – May. 2007</b>
Client	: Computer Man
Description	: Structural redesign of the tower (6 Floors) of R.C.
Project Title	: <b>Roads &amp; Bridges, Kordofan South State, Sudan – Apr. 2007</b>
Client	: Kordofan South State
Description	: Approved of Kadogli, Lagawa-Folal Road maps (Roads) & drawing (Bridges).
Project Title	: <b>Petro trans Office, Khartoum, Sudan – Mar. 2007</b>
Client	: Petro trans
Description	: Structural design of the building (4 Floors) of R.C.
Project Title	: <b>Araak Club, Khartoum, Sudan – Jun. 2006</b>
Client	: Araak Group
Description	: Structural design of the building (2 Floors) of R.C.
Project Title	: <b>Pumping Station System, Pump Station2, In White Nile Sugar Project, White Nile State, Sudan – Apr. 2006</b>
Client	: White Nile Sugar Company Ltd
Description	: Participate in the structural design of the Pumping Station of R.C.

Project Title : **Water Factory, Security Building, Check Point, Water Lab, D.C.U, Clinic, Basic School, Supermarket, Chiller station & Residential Building in Khartoum Refinery, Khartoum North, Sudan – (2006 to 2016)**  
 Client : Khartoum Refinery Company Ltd  
 Description : Structural design of the buildings of R.C.

**UNIVERSITY OF KHARTOUM CONSULTANCY CORPORATION (UKCC): NOVEMBER 2009 – PRESENT**

Project Title : **Rebak New Strategic Depot, Rebak, Sudan – Aug. 2017**  
 Client : Sudanese Petroleum Corporation (SPC) Ministry of Petroleum and Gas  
 Description : Study and investigate the cause of distress, cracking and failures in civil works.

Project Title : **Wad Dafeea Transfer Station, Khartoum North, Sudan – Jul. 2016**  
 Client : Khartoum State Cleaner Authority  
 Description : Structural design of the 12 buildings (R.C. and Steel).

Project Title : **Eljazeera - Office Building, Eljazeera State, Sudan – Jul. 2016**  
 Client : Sudanese Electricity Distribution CO. LTD  
 Description : Structural design of the building (4 Floors) of R.C.

Project Title : **Mechanical Engineering Workshop, U. of K., Khartoum, Sudan – Apr. 2014**  
 Client : Faculty of Engineering, University of Khartoum  
 Description : Structural design of the building (4 Floors) of R.C.

Project Title : **New Fedail Hospital, Khartoum, Sudan – Apr. 2013**  
 Client : Dr. Slaiman Fedail  
 Description : Check Structural design of the tower (10 Floors) of R.C.

Project Title : **Saad Abuelila Emergency Hospital, Khartoum, Sudan – Dec. 2012**  
 Client : University of Khartoum  
 Description : Structural design of the building (4 Floors) of R.C.

Project Title : **Aljazeera State Jazeera Endoscopy & Laparoscopy Surgery Center, Wad Madni, Sudan – Nov. 2012**  
 Client : Aljazeera State  
 Description : Structural design of the building (4 Floors) of R.C.

Project Title : **Alfashir Power Station Relocation Of Dg Units From Karima & Dongola 2.5\*4mw, Alfashir, Sudan – Sep. 2012**  
 Client : Sudanese thermal power Generating co. Ltd.  
 Description : Structural design of the R.C. foundations machines.

Project Title : **Abd Elaal Eledrecy Hospital, Administrative Building & Building No. (3), Koper, Khartoum North, Sudan – Jan. 2011**  
 Client : Ministry of Interior  
 Description : Structural design of the buildings (5 Floors & 4 Floors) of R.C.

Project Title : **Elfawal Tower, Khartoum, Sudan – Sep. 2010**  
 Client : University of Khartoum  
 Description : Structural design of the tower (16 Floors) of R.C.

Project Title : **Department of Agricultural Extension & Rural Development, Khartoum, Sudan – Jul. 2010**  
 Client : Faculty of Agriculture- University of Khartoum  
 Description : Structural redesign and construction supervision of the building of R.C.

Project Title : **New extension offices project, Elamarat, Khartoum, Sudan – Jun. 2010**  
 Client : Sudanese free zones and markets co. Ltd  
 Description : Check Structural design of the building of R.C.

Project Title : **Clearers' Hall in Dama Dama (Hall Dedicated), Portsudan, Sudan – Nov. 2009**

Client : Ministry of Interior  
Description : Structural design of the building (3 Floors) of R.C.

#### **PRIVATE JOBS: NOVEMBER 2005 – PRESENT**

Project Title : **Ice Factory Building, Khartoum North, Sudan – Dec. 2016**  
Client : Albadrain Flour-Mills Co.  
Description : Structural design of the building (3 Floors) of R.C.

Project Title : **Salma Hemodialysis Center, Khartoum, Sudan – Oct. 2016**  
Client : Salma Hemodialysis Center  
Description : Structural design of the building (4 Floors) of R.C.

Project Title : **Alpha Care Building, Khartoum North, Sudan – Sep. 2016**  
Consultant : OSOOL CONSULTANCY  
Client : Mostafa A.Elkareem Mohammed Saad  
Description : Structural design of the tower (7 Floors) of R.C.

Project Title : **BNMB - Elrayad Branch, Khartoum, Sudan – Aug. 2016**  
Client : Blue Nile Meshriq Bank  
Consultant : ARCHITECTS & CONSULTING ENGINEERS ( ACE )  
Description : Structural Strengthening of the building (3 Floors) of R.C.

Project Title : **Bassam Complex, Imtidad, Khartoum, Sudan – Apr. 2016**  
Client : Mr. Bassam Sid Ahmed  
Description : Structural design of the tower (6 Floors) of R.C.

Project Title : **Apartment Building, Almao'ona Street , Khartoum North, Sudan – Mar. 2016**  
Client : Salah Hassan Mattar  
Description : Structural design of the tower (7 Floors) of R.C.

Project Title : **Apartment Building, Elingaz Street , Khartoum North, Sudan – Jan. 2016**  
Client : Salah Hassan Mattar  
Description : Structural design of the tower (7 Floors) of R.C.

Project Title : **Al Deain Great Mosque, Al Deain, Sudan – Jan. 2016**  
Client : East Darfur Government - Al-Deain  
Consultant : OSOOL CONSULTANCY  
Description : Structural design of the building (1 Floors) of R.C. building.

Project Title : **BNMB - Kosti Branch, Kosti, Sudan – Dec. 2015**  
Client : Blue Nile Meshriq Bank  
Consultant : ARCHITECTS & CONSULTING ENGINEERS ( ACE )  
Description : Structural design of the building (4 Floors) of R.C.

Project Title : **Pediatrics & Neonatal Intensive Care Unit P.I.C.U & N.I.C.U, Wad Madani, Sudan – Dec. 2015**  
Client : Pediatrics Teaching Hospital - Wad Madani  
Consultant : OSOOL CONSULTANCY  
Description : Structural design of the building (4 Floors) of R.C. building.

Project Title : **BNMB - Algadarif Branch, Algadarif, Sudan – Aug. 2015**  
Client : Blue Nile Meshriq Bank  
Consultant : ARCHITECTS & CONSULTING ENGINEERS ( ACE )  
Description : Structural design of the building (4 Floors) of R.C.

Project Title : **Elniel Tourist Resort (Motel, Administration, Theater, Restaurant, Services, Marina & Cafes), Elneel Street, Khartoum, Sudan – Jul. 2015**  
Client : Abdallah Alniel  
Consultant : ARCHITECTS & CONSULTING ENGINEERS ( ACE )  
Description : Structural design of the buildings of R.C.

Project Title	: <b>Apartment Building, Shambat, Khartoum North, Sudan – Jun. 2015</b>
Client	: Salah Hassan Mattar
Description	: Structural design of the tower (6 Floors) of R.C.
Project Title	: <b>Family Tower, Kafouri, Khartoum North, Sudan – May. 2015</b>
Client	: Mohammed Ahmed Omer Abdelsalam
Consultant	: ARCHITECTS & CONSULTING ENGINEERS ( ACE )
Description	: Structural design of the tower (7 Floors) of R.C.
Project Title	: <b>Mohamed Makkawi Mustafa Library- O. A. U., Omdurman, Sudan – Apr. 2015</b>
Client	: Omdurman Ahlia University
Consultant	: OPTIMA FOR REAL ESTATE VALUATION & MANAGEMENT
Description	: Structural design of the tower (4 Floors) of R.C.
Project Title	: <b>PETROLA – Alazhary, Athwra &amp; Alrawyan Stations - Khartoum, Sudan – Dec. 2014</b>
Client	: PETROLA
Consultant	: ARCHITECTS & CONSULTING ENGINEERS ( ACE )
Description	: Structural design of the building (2 Floors) of R.C.
Project Title	: <b>BNMB - Kassala Branch, Kassala, Sudan – Jun. 2014</b>
Client	: Blue Nile Meshriq Bank
Consultant	: ARCHITECTS & CONSULTING ENGINEERS ( ACE )
Description	: Structural design of the building (3 Floors) of R.C.
Project Title	: <b>Ikram Plaza, Almulazmeen, Omdurman, Sudan – Dec. 2013</b>
Client	: Ikram Abdelrahman Mahjoob
Consultant	: OSOOL CONSULTANCY
Description	: Structural design of the tower (9 Floors) of R.C. building.
Project Title	: <b>Forensic Lab, Juba, Sudan South – Oct. 2013</b>
Client	: Police of Sudan South
Description	: Structural design of the tower (5 Floors) of R.C.
Project Title	: <b>BNMB - Niyala Branch, Niyala, Sudan – Aug. 2013</b>
Client	: Blue Nile Meshriq Bank
Consultant	: ARCHITECTS & CONSULTING ENGINEERS ( ACE )
Description	: Structural design of the tower (8 Floors) of R.C.
Project Title	: <b>Faculty Of Medicine - Omdurman Ahlia University, Omdurman, Sudan – May. 2013</b>
Client	: Omdurman Ahlia University
Consultant	: OSOOL CONSULTANCY
Description	: Structural design of the tower (6 Floors) of R.C.
Project Title	: <b>Altanweer Library Extension, Khartoum, Sudan – May. 2012</b>
Client	: Altanweer Centre
Description	: Structural design of the building (2 Floors) of R.C.
Project Title	: <b>BNMB - Sagana Branch, Khartoum, Sudan – Feb. 2012</b>
Client	: Blue Nile Meshriq Bank
Consultant	: ARCHITECTS & CONSULTING ENGINEERS ( ACE )
Description	: Structural design of the tower (10 Floors) of R.C.
Project Title	: <b>Engineering Cafeteria, University of Khartoum, Khartoum, Sudan – Dec. 2010</b>
Client	: Faculty of Engineering, University of Khartoum
Description	: Structural design of the building (3 Floors) of R.C.
Project Title	: <b>Majzoub Alkhalifa Charity Organization Headquarters, Khartoum North, Sudan – Jan. 2010</b>
Client	: Majzoub Alkhalifa Organization
Description	: Structural design of the building (4 Floors) of R.C.

Project Title : **Kadaru Sports Complex, Kadaru, Khartoum, Sudan – Jan. 2010**  
 Client : Ministry Of Defence  
 Description : Structural design of the stadium of R.C. & Brick Retaining wall

Project Title : **Piping Fixation in Utility Room in Car Parking, Wahat Khartoum, Khartoum, Sudan – Nov. 2009**  
 Client : Wahat Elkhartoum Company Ltd  
 Description : Structural design of Piping Fixation (Steel frame)

Project Title : **Administrative Building, Kassala, Sudan – Jun. 2009**  
 Client : Health Ministry of Kassala State, Italian Cooperation - AID 8436  
 Description : Structural design of the building (4 Floors) of R.C.

Project Title : **South Kordfan Civil Service Training & Development Centre, Kadugli, Southern Kordofan State, Sudan – Apr. 2009**  
 Client : State Ministry of Local Government and Civil Service  
 Description : Design of the building of R.C.

Project Title : **Footings For Towers Of Contacts Of The National Electricity, Khartoum, Sudan – May. 2008**  
 Client : N.E.C  
 Description : Design of the Footings of R.C.

Project Title : **Ethiopian Embassy in Khartoum, Khartoum, Sudan – Feb. 2008**  
 Client : Ministry of Foreign Affairs - Ethiopian  
 Consultant : SILESHI CONSULT - Ethiopian  
 Description : Structural design and construction supervision of the building (4 Floors) of R.C.

Project Title : **Many Buildings, Sudan**  
 Description : Design of many Structures and Buildings with Reinforced concrete and steel, Redesign of some buildings and Approved them. (Residential Buildings, Villas & Office Building)  
 Design more than **335** Residential Buildings, Villas and Office Building between 4 to 7 floors of the Reinforced Concrete.

#### **DAR CONSULT: SEPTEMBER 2004 – OCTOBER 2005**

Project Title : **Elmanshia Bridge, Khartoum, Sudan**  
 Client : Khartoum State  
 Description : Participating in controlling the reinforced concrete works, supervising the casting processes and pre-stresses for bridge.

Project Title : **Wahat Elkhartoum, Khartoum, Sudan**  
 Client : Wahat Elkhartoum Company Ltd  
 Description : Participating in controlling the reinforced concrete works and supervising the casting processes for high rise building in Khartoum (17 Floors building)
